You are hereby authorized to honor debits each month to my account by use of a bank draft, as drawn by Sapulpa Rural Water Company. The amount of the draft will be the exact amount of the water bill. I have provided a voided check, which is on the account to be drafted. I understand that in order to cancel bank draft service, I must inform Sapulpa Rural Water Company at least 30 days prior. I hereby make this effective until you are notified otherwise.
